

PEDESTRIAN IMPROVEMENTS PILOT IS COMING TO LA PLAYA !

Photo by: Darin Dinsmore

PROJECT OVERVIEW:

The La Playa Pedestrian Improvements Pilot Project is a community-driven initiative to improve overall safety, enhance community character, and re-envision the La Playa Park area between Judah and La Playa Streets.

This 18-month pilot project will transform La Playa Park's underused spaces into community places and test new traffic circulation routes along the N-Judah turnaround to create greater pedestrian walkability and visibility. Temporary installations will be built to test ideas for long-term improvements.

The Groundplay Team of the SF Planning Department has taken the lead in implementing this initiative with sponsorship from Supervisor Tang and SF Parks Alliance as well as support from San Francisco Municipal Transportation Agency and the Department of Public Works.

IF YOU WANT TO KNOW MORE ABOUT THE TESTING OF CIRCULATION AND NX CHANGES, PLEASE STOP BY THE PROJECT SITE AT ANY TIME INDICATED BELOW

PROJECT TIMELINE (18 MONTHS):

Phase 1 (Winter 2018): Enhance and beautify the area around the Muni restroom building on the southeast corner of Judah/La Playa. This includes murals, greening, outdoor seating/parklet, and gateway signage.

Phase 2 (Winter 2018 to Summer 2019): Enhance and beautify the area along La Playa Park, including painted outdoor seating space along the curbside of La Playa Park.

Testing of traffic circulation change on La Playa Street: About 100 feet of La Playa Street south and north of Judah will become a one-way northbound street; and NX bus will be temporarily rerouted off of La Playa to 48th Avenue (6:00 am to 10:00 am only). Consequently, the NX bus stop will be temporarily relocated to the northwest corner of 48th and Judah, as shown below. The area between Lower Great Highway and La Playa Street will be closed to traffic to discourage unpredictable vehicular maneuvers. During this pilot phase, some of on-street parking along La Playa Street, Judah Street, and Lower Great Highway will transform into pedestrian safety zones, community gathering, or outdoor seating areas. On-street parking will be restricted on 48th Ave during bus operation hours (6:00 am to 10:00 am only).

NX REROUTING (MONDAY-FRIDAY - 6:00 AM - 10:00 AM)
