

# DESIGN CONCEPT: PALM OASIS

## COMMENTS:

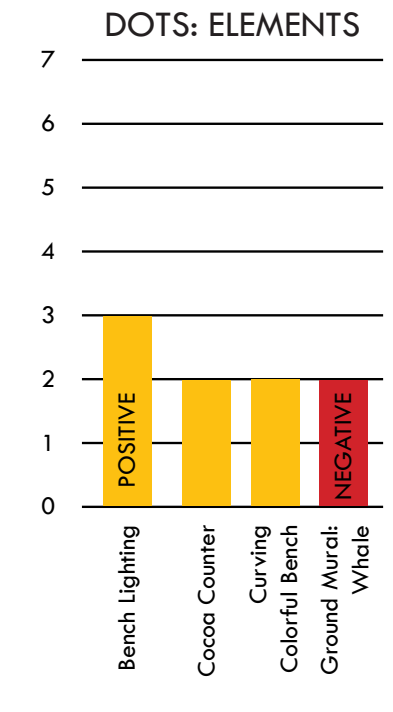

- ① “River → Railroad → Street.”  
“Union Pacific Railway still owns mineral rights under all of this area (it’s on the deeds).”
- ② “Palms add majesty to an open space and have a small footprint for to allow more space for restaurant.”
- ③ “I like the flat plane of the plaza - easy to see everyone!”
- ④ “Not a fan of palm trees.”  
“Not enough vertical barriers for plaza.”
- ⑤ “Palm trees make no sense.”
- ⑥ “Jumping across the street is great.”
- ⑦ “One way with raised crosswalk.” (change traffic to flow Northeast toward Harrison on Treat)
- ⑧ “Like artworks, trees, and seating space.”
- ⑨ “Love the Brian Gogin ‘Defenestration’ sculptures jumping off storage building.”
- ⑩ “With ‘Forest’ needs light for safety.”
- ⑪ “Please add barriers to protect bicyclists from traffic and to prevent Uber/Lyft cars from blocking the bike path.”
- ⑫ “Include the 1860’s bridge. Bridges are great metaphors.”
- ⑬ “Like lights and exercise space.”
- ⑭ “How can we encourage use of space without encouraging camping?”
- ⑮ “Don’t care for train coffee shop.”
- ⑯ “This will get vandalized.” (regarding wall along Dandelion north of staircase)

# DESIGN CONCEPT: STREAMLINE

## COMMENTS:

- ① “What does this look like at night? What happens to the tables?”
- ② “Like the vibrant colors and vertical barriers protecting people from traffic.”
- ③ “Put bikes INSIDE the barrier.”
- ④ “ALL OPTIONS should have a concrete barrier protecting people/bikes from cars.”
- ⑤ “Color palette is great, appropriate for the creek.”
- ⑥ “Must not support TENTS.”
- ⑦ “Gaudi mosaic benches similar to Parc Guell.”
- ⑧ “Please highlight the water system under street.”
- ⑨ “Lighting possibly in ground.”
- ⑩ “LOVE the color palatte.”
- ⑪ “Seems too busy.” (referring to whale paving image)
- ⑫ “Please calm the traffic before the cars arrive at this intersection.”
- ⑬ “Please add barriers to protect the bicyclists from traffic and prevent Uber/Lyft cars from blocking the bike lane.”
- ⑭ “Promotes safety from cars.” (pointing at striped pavement mural)

# DESIGN CONCEPT: PLAY TIME

## COMMENTS:

- ① "Having a performance area is really important."
- ② "This would become a skatepark." (referring to North Plaza)
- ③ "More interactive THINGS."
- ④ "Need more barriers."
- ⑤ "Like the idea of games but needs to have more interactivity."
- ⑥ "Need bollards to keep cars from entering here." (Arrow points at corner of Harrison/16th)
- ⑦ "Yes!" (seconding #6 comment re: bollards)
- ⑧ "Please add barriers to protect bike lanes from traffic."
- ⑨ "Perfect spot for a homeless tent." (referring to stage)
- ⑩ "Make space expandable for closures during performances."
- ⑪ "Too narrow for street performances. No SPACE for audience. Put concrete barrier here to mitigate that problem." (arrow appears to point at edge of plaza along Treat St.)
